1. Spirit and Truth is a lifestyle Ted, a lifestyle that gives Me entrance, space and place and shuns Me not. Spirit and Truth is a lifestyle of Me which strips not Me out of truth for intellectual pursuits of principles that will operate without My presence.

2. Spirit and Truth—how many understand? How many have asked Me? How many have come and sought Me on this? You did Ted, you did years ago and have occasionally since that first time. Have I forgotten even your first request, your prayer to Me to know what that means, and how to do it? [Worship the Father in spirit and in truth. John 4:23] Have I forgotten any of those times you came back to that subject and addressed Me about it?

3. No Ted, I have forgotten none of your prayers, none, none, none. I have them all and they are before Me and I see them, and I feel them, and I answer them, always, at the right time, when you are ready.

4. I love you Ted, and appreciate you writing My words and being a prophet, an oracle of Me, as I desire all of My children to be. All of My children can hear My voice and receive praise, correction, and direction from Me.

5. Sauls to Pauls, Sauls to Pauls, I am turning Sauls to Pauls. I am turning those thought-low to those thought-high, but they must know My voice. Them must seek Me and open to Me and disappoint them I will not. I commensurate until I can exponentialize.

6. Character Ted, where are those with character, integrity and guts, who will wear My name unashamedly, proclaiming My words as My words, and refuse to be defeated by naysayers?
